

Certificate of Attendance,

This document certifies that Nicole Rosi
has completed the training and education program of the PhD Summer School
on "Physics-Informed Neural Networks and Applications", which was held be-
tween 19th and 30th of June 2023 at KTH Royal Institute of Technology in
Stockholm, Sweden.

The course has consisted of lecture sessions, practical sessions and proj-
ect work and is equivalent to 5 ECTS credits or at least 125 study hours. The
course examination is conducted in a form of presentation of the project work
completed during the course.

Course examiners:

*Prof. Karl Henrik Johansson,
KTH Royal Institute of Technology*

*Prof. George Em. Karniadakis
Brown University*
